

Closure of Stalbridge Surgery

We have recently written to all registered patients to inform them that Dr Steve Clayton has given notice of his decision to retire from the practice on **31st December 2018.**

Because Dr Clayton is the sole GP in the surgery this means that the surgery will close on this date.

We appreciate that this news may cause concern; however we would like to reassure you that we are supporting the practice over the coming months to ensure that patients are able to register at another practice.

Please check the notice board in the practice reception for information on practices, transport etc or join us for one of the patient drop in sessions which will run between 1pm and 7pm here at Stalbridge Surgery.

- Thursday 12 July
- Thursday 20 September

If you have any questions please speak to a member of the practice staff.
