

Friends and Family Test

Thank you to all of you who took the time to feedback on your experience at Stalbridge Surgery. Here is what you said:

Your feedback is very important to us and enables us to ensure that patients are satisfied with the service you receive and that we are constantly able to deal quickly with any issues you may have with us.

If you would like to feedback to us using this site, please use the following link:

<http://stalbridgesurgery.co.uk/rate>. You can complete this after any/every encounter with the surgery, whether face to face or by phone. Ask at our reception desk if you would prefer to complete a manual form while you are in the surgery and post in our post box provided.

These are some of the comments that you left for us:

- Appointments easy + convenient. Dispensing of drugs good in house.
- Very good surgery, friendly and supportive
- Have been looked after very well for 24 years. Excellent service from all
- No complaints at all, the best surgery I have ever known. Appointments & helpful people. A1
- We as a whole family are very well cared for in all aspects of health
- My wife has been listened to, and really well cared for. Her treatment has been brilliant. Many thanks to everyone.
- Prompt + courteous service. Resulting in peace of mind following very quick hospital visit.
- Impressed by the speed from the time of making an appointment to seeing a member of the medical team
- Always friendly & helpful. Can get an appointment same day if necessary.
- A very well run surgery, with great staff
- If you have any problem there is always someone to help at once. Everyone is very friendly and re-assuring.
- Extremely good service; what else does one require?
