

Friends and Family Test

Thank you to all of you who took the time to feedback on your experience at Stalbridge Surgery. Here is what you said:

Your feedback is very important to us and enables us to ensure that patients are satisfied with the service you receive and that we are constantly able to deal quickly with any issues you may have with us.

If you would like to feedback to us using this site, please use the following link:

<http://stalbridgesurgery.co.uk/rate>. You can complete this after any/every encounter with the surgery, whether face to face or by phone. Ask at our reception desk if you would prefer to complete a manual form while you are in the surgery and post in our post box provided.

These are some of the comments that you left for us:

- The best surgery that I have been registered with, very friendly and helpful staff, fantastically quick appointments, Dr Clayton is very easy to talk to and has helped me enjoy a better life
- Good service - always! I'm not treated as though I can't handle the information and I can always have a joke and a laugh when needed
- Family recently registered. Staff friendly and very helpful
- I've always been very happy with Stalbridge surgery. Excellent care and swift response to any of my family's needs. I would say Stalbridge Surgery is one of the best practices I've been to
- Where else can you get an appointment to see your doctor on the same day, most of the time
- An exceptional surgery. The best!
- I think we are very lucky to have such a friendly, helpful surgery
- This is a marvellous surgery; always get an appointment when I want one. Very happy with the service
- Efficient, caring, friendly surgery who go out of their way to provide a first class service
- We often speak to friends and family in other towns - they simply can't believe how well we are served by our surgery! Thank you for everything you do for us all.
- Email results to patient not make them phone and get from a receptionist! Improve telephone system
