

## Friends and Family Test June 2018

Thank you to all of you who took the time to feedback on your experience at Stalbridge Surgery. We asked: How likely would you be to recommend our services to your family and friends if they needed similar care or treatment? Here is what you said:

Your feedback is very important to us and enables us to ensure that patients are satisfied with the service you receive and that we are constantly able to deal quickly with any issues you may have with us.

If you would like to feedback to us using this site, please use the following link:

<http://stalbridgesurgery.co.uk/rate> . You can complete this after any/every encounter with the surgery, whether face to face or by phone. Ask at our reception desk if you would prefer to complete a manual form while you are in the surgery and post in our post box provided.

These are some of the comments that you left for us:

- Good fast service, did not have to wait around to see the doctor
- Great surgery, devastated it is closing
- It has come to a pretty pass that Stalbridge cannot field a well-run practice that has been enjoyed hitherto
- Don't close, we need you! Lovely surgery, lovely people
- Have always enjoyed excellent care and consideration from all members of the surgery team, cannot praise highly enough
- Really nice staff but annoying that it is closing down
