

## Friends and Family Test

Thank you to all of you who took the time to feedback on your experience at Stalbridge Surgery. Here is what you said:

Your feedback is very important to us and enables us to ensure that patients are satisfied with the service you receive and that we are constantly able to deal quickly with any issues you may have with us.

If you would like to feedback to us using this site, please use the following link:

<http://stalbridgesurgery.co.uk/rate>. You can complete this after any/every encounter with the surgery, whether face to face or by phone. Ask at our reception desk if you would prefer to complete a manual form while you are in the surgery and post in our post box provided.

These are some of the comments that you left for us:

- Very nice and clean
- Everyone very friendly
- We are very lucky
- Concerns around locking door to dispensary - fire hazard & claustrophobia for some waiting with issues
- I have been registered for 25 years and have always been very happy with my care
- My wife and I have been patients here since 1992 and there is no better anywhere. 5 star all the way
- I think we are very lucky to have such a wonderful surgery. To be able to get an appointment on the same day is amazing & receive exceptional treatment
- Have received excellent service here and particularly appreciate the excellent appointments service
- Extremely happy as I can always get an appointment and the nurse, pharmacy staff, practice nurse and doctors are all brilliant
