

## Friends and Family Test

Thank you to all of you who took the time to feedback on your experience at Stalbridge Surgery. Here is what you said:

Your feedback is very important to us and enables us to ensure that patients are satisfied with the service you receive and that we are constantly able to deal quickly with any issues you may have with us.

If you would like to feedback to us using this site, please use the following link: <http://stalbridgesurgery.co.uk/rate>. You can complete this after any/every encounter with the surgery, whether face to face or by phone. Ask at our reception desk if you would prefer to complete a manual form while you are in the surgery and post in our post box provided.

These are some of the comments that you left for us:

- Easy to get appointments. Negatives: no lady doctor, Saturday surgery has stopped
- Very caring and thorough approach. Thank you
- If a few more surgeries were run as efficiently and with as much compassion as Stalbridge, the world would be a better place.
- All staff very professional and caring
- Excellent service as ever, was seen on time and in and out in no time
- Have always enjoyed excellent care and consideration from all staff, cannot praise highly enough
- A fantastic service every time,
- Very efficient surgery. Polite and helpful reception
- Dr Clayton is brilliant
- Easy access, friendly and approachable staff
- Excellent service
- This is the most thorough and friendly surgery I have attended
- Delightful, friendly and unhurried. A pleasure to come here.
